\*Preferred Points and Low Rate cards include VISA Platinum, VISA Classic and Gold MasterCard.

\*\*After the introductory rate, the Annual Percentage Rate (APR) will vary based on changes in the Index (the Prime Rate – the base rate on corporate loans posted by at least 75% of the nation’s largest banks – published in the *Wall Street Journal*). The Index will be adjusted on the 25th day of each month or the business day preceding the 25th day if that day falls on a weekend or a holiday recognized by the Board of Governors of the Federal Reserve System. Changes in the Index will take effect beginning with the first billing cycle in the Month following a change in the Index. Increases or decreases in the Index will cause the APR and periodic rate to fluctuate, resulting in increased or decreased Finance Charges on the Account, but all calculations will be made using a minimum Index of not less than 5.00%. As of October 24, 2008, the Index was 4.50%. The Account will never have an APR over 21%.

\*\*\*If you allow your Account to become 60 days past due, we may increase your APR on all balances to a higher rate equal to the Index plus a margin of 10.9%, up to a maximum of 21%. However, if your APR is increased, your Account may become eligible for a lower APR if you make timely payments for three consecutive months.

If at least one box at the top of the application is not checked, or, if too many boxes are inadvertently checked, you will be deemed to have selected the VISA Platinum card with the Low Rate option.

If you do not qualify for a VISA Platinum Card and you qualify for a VISA Classic Card, you will be automatically offered a VISA Classic Card.
